## KERAVISION AND MUSEUM OF CERAMICS

*In the Keravision with the integrated Museum of Ceramics more than two and a half centuries of company history images. Also worth seeing in this regard is the permanent exposition "Anna and Eugène Boch - From the beginnings of modernity".*

## TABLEWARE DISCOVERY CENTRE

*Admire the stylish lines of the latest ranges in realistically presented living areas. Find inspiration and ideas for your own home in this little universe, decorated with loving attention to detail.*

## EXPERIENCE THE BRAND

*Step into the world of the Villeroy & Boch brand with atmospheric seasonal or themed presentations in the Tableware Discovery Centre.*

## SHOWROOM BATHROOM COMPLETE

*Home decor for every lifestyle: individual advice in the former colour laboratory at the Old Abbey. In artistic ambiente is presented here sanitary ceramics in an unconventional way.*

## VILLEROY & BOCH OUTLET CENTER

*Let yourself be inspired by the diverse product range of the Villeroy & Boch world brand in the areas of porcelain, glass and crystal, cutlery, furniture and textiles for interior-design, and take advantage of the many attractive offers.*

## LIVING PLANET SQUARE / EARTH SPIRIT

*Time-defying ceramic and relentlessly-growing ivy are the materials employed by Stefan Szczesny and André Heller in the Living Planet Square. A walk around the delightful park reveals even more interesting sights, such as Schinkel's historical fountain, and the Old Tower - Saarland's oldest sacred building.*
